Product Name: Premium Integrated Mirror system

Code: Tap code DS114.175.1 TRAN-W

Colour:

Finish: Satin stainless steel

Dimensions: W230mm x Ø38mm

Accessories: Integrated automatic infrared sensor panel.
Taps installed below system.
Integrated automatic infrared sensor foam soap dispensers fed from central cartridge - 10,000 shot capacity.
Integrated paper towel dispenser.

Water Consumption: Maximum of 4.5 litres per minute.

Notes:

Refer to plans and elevations for lengths.

Samples & certification required to be issued by Contractor to SHH for approval prior to ordering & fabrication:

- ☐ Finished Sample
- ☒ Product Sample
- ☐ Shop Drawing
- ☒ BREEAM / Green Guide Certification
- ☐ Prototype

GENERAL NOTES:

- 1 To be installed with manufacturers recommended installation system.
- 2 This document is to be read in conjunction with all SHH drawings and specifications.
- 3 It is the manufacturer/suppliers responsibility to comply with all specification details. Any deviation must be notified in writing and approved by SHH or procurement agent prior to orders being placed. All supplied items must meet general Contract Standards, individual Operator requirements and meet all relevant Fire and Safety requirements.
