**N10 GENERAL FIXTURES/ FURNISHINGS/ EQUIPMENT**

To be read with Preliminaries/ General Conditions.

- 010 All dimensions for fitted furniture in the Specification and on the Drawings are to be confirmed on site by the contractor and/or fabricator. Any discrepancies and suggested amended dimensions are to be submitted to the CA for approval before fabrication.
- 020 Fittings, accessories and sundries specified should be considered a minimum quality benchmark. The Contractor is to confirm that these items are functionally suitable for the sizes and weights of the items that they are associated with. Any Contractor alternatives which are of equal or superior quality / functionality are to be submitted to the CA for approval before fabrication.
