All rights described in Chapter IV of the Copyright, Designers and Patents Act 1998 have been asserted.

All levels are in metres above Ordnance Datum.

All dimensions should be checked on site. Do not scale from this drawing. Stanton Williams to be advised of any variation between the drawings and site conditions.

To be read in conjunction with: architectural drawings and specification, structural and services engineers information, and fire / acoustic/ security strategies.

Safety, health and environmental information

Please refer to pre-construction information and risk register. The notes below refer specifically to the information shown on this drawing.

Description of Design Risk

For general/ site-wide risks and all risk and mitigation description refer to Bureau veritas document CDM hazard register

Survey Note

1 This drawing has been prepared using recent survey information where access has been possible. Large areas of the Poultry Market remain tenanted and it has therefore not been possible to provide survey information for these areas. Some assumed information has been drawn from earlier survey and historic drawings where possible but this remains unconfirmed.

2 The survey models provided by Plowman Craven are in Revit version 2017. These have subsequently been upgraded to Revit 2018 by the Design Team for use in producing 2D drawings. Due to the upgrade process, the Design Team accept no responsibility for the accuracy / validation of the digital data supplied.
