A change in legislation means that, from the 15th November 2021, drivers will be able to choose to take a lorry or bus trailer test without having to take a test in the rigid vehicle first.

More information is available at <https://www.gov.uk/adding-higher-categories-to-your-driving-licence>

An additional legislative change from the 16th December 2021 also means that drivers with B (Car) entitlement will automatically have B+E (Car & Trailer) entitlement without the need to take a B+E test. This will allow licence holders to tow a vehicle up to 3,500kg Maximum Authorised Mass (MAM).

Please note that these changes will not be reflected on current driving licences, or on any of our online services. There is no need to contact DVLA regarding this change, photocard driving licences will be updated the next time licence holders transact with DVLA.
