Dear Martin / Raphael team,

Please see joinery pricing schedule attached for MOL for your review.

I have to leave the office now but wanted to get this over to you today.

Our cost includes for setting out drawings, manufacture & delivery to site (installation by RCL).

I haven't had chance to do a full write up of allowances etc as but I'm confident that we are compliant with the pricing schedule, drawings & specification.

Please feel free to call with any queries.

Programme would obviously need to be discussed.

Kind Regards

Chris Gillard
