2 Proposed Reception - Elevation

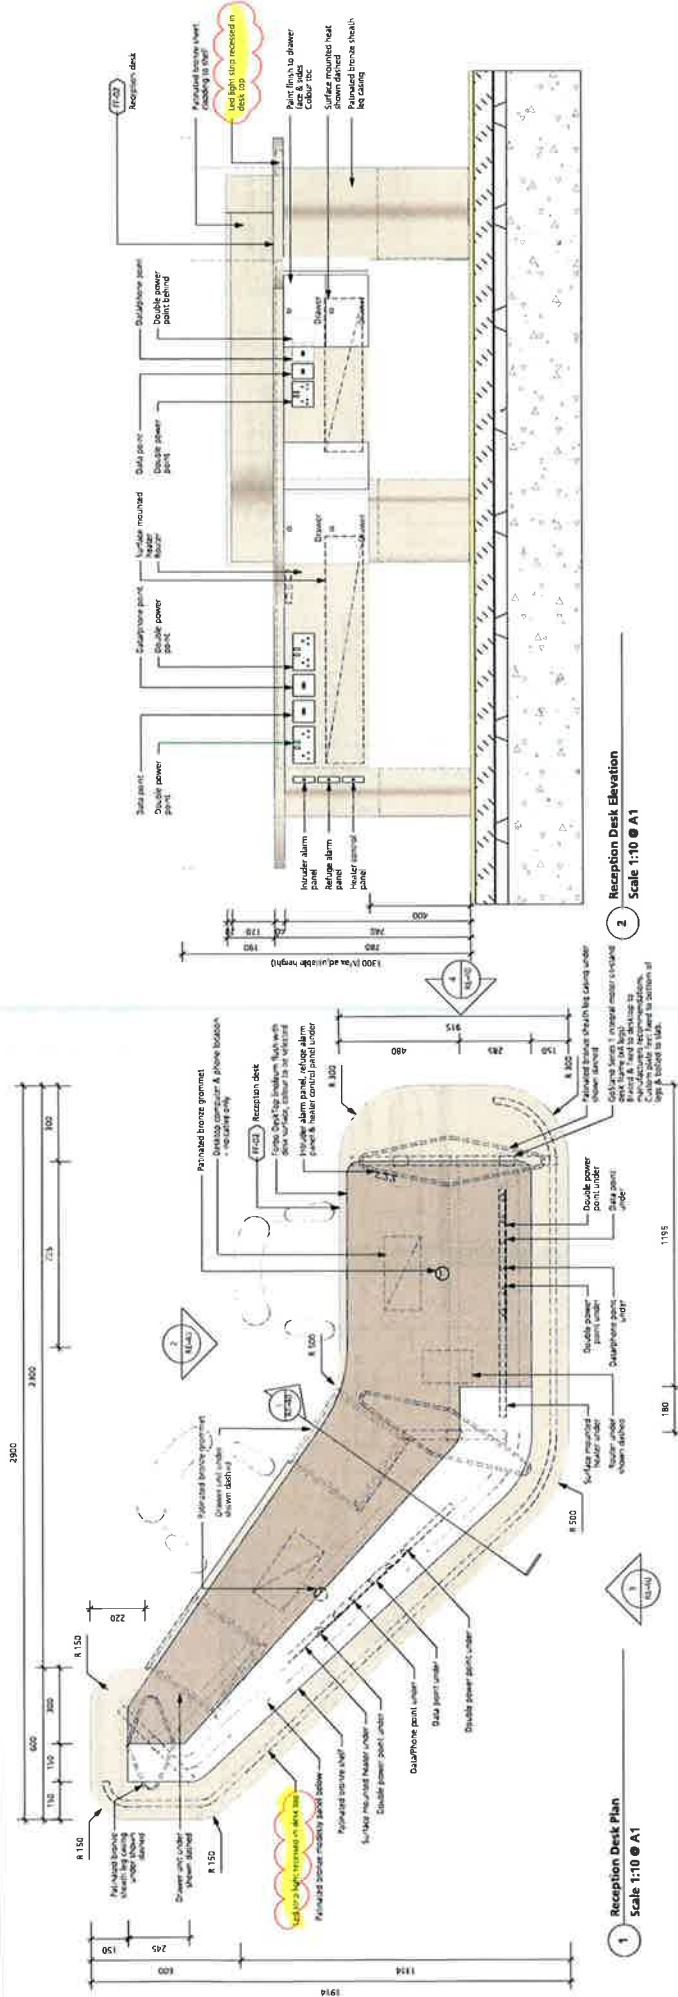

1. The proposed reception area is located on the first floor of the building, adjacent to the main entrance. It is a large, open-plan space with a high ceiling and large windows. The area is designed to be a central hub for the building, providing a space for reception, waiting, and informal meetings. The design is modern and functional, with a focus on creating a welcoming and professional environment. The proposed reception area is shown in the drawing with a red outline, indicating its location relative to the rest of the building.
